SEC. 12. Section 2037 of the Financial Code is amended to read:

2037. (a) As security, each licensee shall deposit and thereafter maintain on deposit with the Treasurer cash in an amount not less than, or securities having a market value not less than, such amount as the commissioner may find and order from time to time as necessary to secure the faithful performance of the obligations of the licensee with respect to money transmission in California. These securities shall be subject to the approval of the commissioner and shall consist of interest-bearing bonds, notes, or other obligations of the United States or any agency or instrumentality thereof, or of the State of California, or of any city, county, or city and county, political subdivision or district of the

1 State of California, or that are guaranteed by the United States or  
2 the State of California.

3 (b) So long as a licensee that maintains securities on deposit  
4 with the Treasurer pursuant to this section is solvent, that licensee  
5 shall be entitled to receive any interest paid on the securities.

6 (c) In lieu of the deposit of cash or securities pursuant to  
7 subdivision (a), a licensee may deliver to the commissioner the  
8 bond of a surety company, in form and written by a company  
9 satisfactory to the commissioner, in an amount not less than the  
10 amount of the deposit of cash or securities required of the licensee,  
11 conditioned upon the faithful performance of the obligations of  
12 the licensee with respect to money transmission in California. The  
13 commissioner shall deposit such bond with the Treasurer.

14 (d) A licensee that sells or issues payment instruments or stored  
15 value shall maintain securities on deposit or a bond of a surety  
16 company in an amount of no less than five hundred thousand  
17 dollars (\$500,000) or 50 percent of the average daily outstanding  
18 payment instrument and stored value obligations in California,  
19 whichever is greater; provided that such amount shall not be more  
20 than two million dollars (\$2,000,000).

21 (e) A licensee that engages in receiving money for transmission  
22 shall maintain securities on deposit or a bond of a surety company  
23 in an amount greater than the average daily outstanding obligations  
24 for money received for transmission in California, provided that  
25 such amount shall not be less than two hundred fifty thousand  
26 dollars (\$250,000) nor more than seven million dollars  
27 (\$7,000,000).

28 (f) The amount of securities on deposit or a bond of a surety  
29 company required to be maintained by subdivisions (d) and (e) are

32 pursuant to this section and the proceeds of any bond held by the  
33 ~~State~~ Treasurer pursuant to this section shall constitute a trust fund  
34 for the benefit of persons in California who purchased payment  
35 instruments or stored value from the licensee or its agent, or  
36 persons in California who delivered to any licensee or its agent  
37 money or monetary value for money transmission. Suit to recover  
38 on any bond may be brought by any party aggrieved in a court of  
39 competent jurisdiction of any county in which the licensee has an  
40 agent.

(h) Securities on deposit or a bond shall cover claims for so long as the commissioner specifies, but for at least four years after the licensee ceases to provide services under this division in this state. However, the commissioner may permit the amount of the security to be reduced or eliminated before the expiration of that time to the extent the amount of the licensee's payment instruments or stored value obligations outstanding, or outstanding money or monetary value received for money transmission, is less than the deposit or bond. The commissioner may permit a licensee to substitute another form of security acceptable to the commissioner for the security effective at the time the licensee ceases to provide money transmissions in this state.

SEC. 13. Section 2039 of the Financial Code is amended to read:

2039. (a) The commissioner may by order or regulation grant exemptions from this section in cases where the commissioner finds that the requirements of this section are not necessary or may be duplicative.

(b) In addition to such other reports as may be required pursuant to Sections 453, 454, and 455, each licensee shall, within 90 days after the end of each fiscal year, or within such extended time as the commissioner may prescribe, file with the commissioner an audit report for the fiscal year that shall comply with all of the following provisions:

(1) The audit report shall contain audited financial statements of the licensee for or as of the end of the fiscal year prepared in accordance with United States generally accepted accounting principles and such other information as the commissioner may require.

(3) The audit report shall be prepared by an independent certified public accountant or independent public accountant who is not unsatisfactory to the commissioner.

(4) The audit report shall include or be accompanied by a certificate of opinion of the independent certified public accountant or independent public accountant that is satisfactory in form and content to the commissioner. If the certificate or opinion is

1 qualified, the commissioner may order the licensee to take such  
2 action as the commissioner may find necessary to enable the  
3 independent or certified public accountant or independent public  
4 accountant to remove the qualification.

5 (c) Each licensee shall, not more than 45 days after the end of  
6 each calendar year quarter, or within a longer period as the  
7 commissioner may by regulation or order specify, file with the  
8 commissioner a report containing all of the following:

9 (1) Financial statements, including balance sheet, income  
10 statement, statement of changes in shareholders' equity, and  
11 statement of cashflows, for, or as of the end of, that calendar year  
12 quarter, verified by two of the licensee's principal officers. The  
13 verification shall state that each of the officers making the  
14 verification has a personal knowledge of the matters in the report  
15 and that each of them believes that each statement on the report is  
16 true.

22 (d) Each licensee, not more than 45 days after the end of each  
23 calendar year quarter, shall file with the commissioner a report  
24 containing all of the following:

25 (1) The current address of each branch office of the licensee in  
26 this state. If a branch office was opened or closed during the  
27 calendar year quarter, the date it was opened or closed. If a branch  
28 office was relocated during the calendar year quarter, the addresses  
29 of the old and new locations and the date of relocation.

30 (2) The name of each person who acted as an agent in this state  
31 of the licensee during the calendar year quarter and the address  
32 for each agent branch office. If a person was appointed or  
33 terminated as an agent during the calendar year quarter, the date  
34 of appointment or termination. If an agent branch office relocated,  
35 the addresses for the old and new locations and the date of  
36 relocation.

37 (3) The total volume of activities, number of transactions  
38 conducted, and outstanding money transmission obligations in  
39 California under this division and in the United States in the  
40 calendar year quarter categorized by type of money transmission.

11 as and when the commissioner may by regulation or order require.

12 SEC. 14. Section 2040 of the Financial Code is amended to  
13 read:

14 2040. (a) A licensee under this division shall maintain tangible  
15 shareholders' equity in an amount determined to be adequate by  
16 the commissioner from time to time, but in no event shall tangible  
17 shareholders' equity be less than five hundred thousand dollars  
18 (\$500,000). "Tangible shareholders' equity" means shareholders'  
19 or members' equity minus intangible assets as determined in  
20 accordance with United States generally accepted accounting  
21 principles.

22 (b) The commissioner at any time may require a licensee to  
23 write down any asset held by it to a valuation that will represent  
24 its then fair market value. Any receivable or debt due to a licensee  
25 that is past due and unpaid for the period of one year shall be  
26 charged off, unless it is well secured or is in process of collection.

27 (c) The aggregate value of a licensee's accounts receivable,  
28 excluding money transmission receivables, loans or extensions of  
29 credit to any one person, or that person's affiliates, cannot exceed  
30 50 percent of the licensee's tangible shareholders' equity without  
31 the advanced written approval of the commissioner. Whenever  
32 such amount equals or exceeds 20 percent of the licensee's tangible  
33 shareholders' equity, the licensee shall maintain records evidencing  
34 such amount and any security or other source of payment for the  
35 amount owed, and such other records as the commissioner may  
36 require by order or regulation.

37 SEC. 15. Section 2042 of the Financial Code is amended to  
38 read:

39 2042. (a) In addition to the fees provided in Section 2038, the  
40 commissioner shall levy an assessment each fiscal year, on a pro

rata basis, on those licensees that at any time during the preceding calendar year engaged in the business of money transmission in California in an amount that is, in his or her judgment, sufficient to meet the commissioner's expenses in administering the provisions of this division and to provide a reasonable reserve for contingencies.

(b) For licensees that sell or issue payment instruments or stored value, the amount of the annual assessment on any licensee shall not exceed the sum of the products determined by multiplying (1) increments of the aggregate face amount of payment instruments and stored value issued or sold in California by the licensee, directly or indirectly through agents, in the calendar year next preceding the date of such assessment, by (2) percentages of the base assessment rate, according to the following table:

Aggregate face amount of payment instruments and stored value sold (in millions)	Percentage of base assessment rate
First \$1.....	100.0
Next \$9.....	25.0
Next \$40.....	12.5
Next \$50.....	6.0
Next \$400.....	3
Next \$500.....	2
Excess over \$1,000.....	1

The base assessment rate shall be fixed from time to time by the commissioner but shall not exceed one dollar (\$1) per one thousand dollars (\$1,000) face amount of payment instruments and stored value sold.

(c) For licensees receiving money for transmission, the basis of the apportionment of the assessment among the licensees assessed shall be the proportion that the total amount of money received for transmission by the licensee in California bears in relation to the total amount of money received for transmission by all licensees in California, as shown by the reports of licensees to the commissioner for the preceding calendar year. The assessment rate shall be fixed from time to time by the commissioner but shall not exceed one dollar (\$1) per one thousand dollars (\$1,000) of money received for transmission in California by the licensee.

(d) The commissioner shall notify each licensee by mail of the amount levied against it. The licensee shall pay the amount levied within 20 days. If payment is not made to the commissioner within that time, the commissioner shall assess and collect, in addition to the annual assessment, a penalty of 5 percent of the assessment for each month or part thereof that the payment is delinquent.

SEC. 16. Section 2060 of the Financial Code is amended to read:

2060. (a) In this section, “remit” means to make direct payments of money to a licensee or its representative authorized to receive money or to deposit money in a bank in an account specified by the licensee.

(b) No licensee shall appoint or continue any person as agent, unless the licensee and the person have made a written contract. A written contract between a licensee and an agent shall require the agent to operate in full compliance with this division.

(c) The written contract shall contain each of the following provisions:

(1) That the licensee appoints the person as its agent with authority to conduct money transmission on behalf of the licensee.

(2) That the agent shall make and keep accounts, correspondence, memoranda, papers, books, and other records as the commissioner by regulation or order requires and preserve the records for the time specified by the regulation or order.

(3) That all money or monetary value, less fees due agents provided for and expressly set forth in the written agreement, received by the agent for money transmission on behalf of the licensee shall be trust funds owned by and belonging to the licensee until the time when the money or an equivalent amount are remitted by the agent to the licensee in accordance with this section.

(4) That the money must be remitted in accordance with the provisions of this division.

(5) Any other provisions that the commissioner may by regulation or order find to be necessary to carry out the provisions and purposes of this division.

(d) An agent shall remit all money owing to the licensee in accordance with the terms of the contract between the licensee and the agent.

1 (e) An agent of a licensee shall remit any money, less fees,  
2 received on behalf of the licensee for money transmission as  
3 follows:

4 (1) Within three business days of receipt.

5 (2) In case the aggregate face amount of the money, less fees,  
6 does not in any calendar week exceed ten thousand dollars  
7 (\$10,000), within 10 business days of receipt.

8 (3) Within a period longer than three business days of receipt,  
9 if the agent has previously deposited with, and during such period  
10 maintains on deposit with, an office of an insured bank or of an  
11 insured savings and loan association located in the United States  
12 in an account that is in the sole and exclusive name of the licensee  
13 an amount that, for each day by which such period exceeds three  
14 business days, is not less than the aggregate face amount of money  
15 received on behalf of the licensee for money transmission that the  
16 agent usually sells per day.

17 (4) Within such shorter period as the licensee may provide.

18 (f) An agent may not provide money transmission outside the  
19 scope of activity permissible under the contract between the agent  
20 and the licensee. All money or monetary value, less fees, received  
21 by an agent of a licensee shall, from the time when the money is  
22 received by the agent until the time when the money or an  
23 equivalent amount is remitted by the agent to the licensee,  
24 constitute trust funds owned by and belonging to the licensee.

25 (g) An agent may not use a subagent to conduct money  
26 transmissions on behalf of a licensee.

27 (h) Each licensee shall exercise reasonable supervision over its  
28 agents to ensure compliance with applicable laws, rules, and  
29 regulations with respect to money transmission.

30 (i) No agent of a licensee shall, nor shall any licensee cause or  
31 knowingly permit any of its agents to, conduct money transmission  
32 on behalf of the licensee without concurrently receiving money,  
33 monetary value or its equivalent, credit card, or payment  
34 instrument, or a combination of same believed to be valid in an  
35 amount not less than the amount of the money transmission being  
36 provided. In the case of a sale of payment instruments or stored  
37 value to an insured bank, an insured savings and loan association,  
38 or an insured credit union, the licensee or agents of the licensee  
39 may receive such amounts the next business day after the sale.

(j) If any agent of a licensee shall commingle any money or monetary value, less fees, received on behalf of the licensee for money transmission with any other property owned or controlled by the agent, all such property shall be impressed with a trust in favor of the licensee in an amount equal to the aggregate amount of such money so commingled. No money or monetary value, less fees, received by any agent on behalf of the licensee for money transmission, while held by such agent, nor any property impressed with a trust pursuant to this subdivision, shall be subject to attachment, levy of execution, or sequestration by order of any court, except for the benefit of the licensee.

(k) Each licensee shall be liable as a principal for the money or monetary value from the time when the money or monetary value is received by the agent. Each licensee shall be liable as the maker or drawer on each payment instrument issued or sold by such licensee.

SEC. 17. Section 2062 of the Financial Code is amended to read:

2062. A person may not provide money transmissions on behalf of a person not licensed or not exempt from licensure under this division. A person that engages in that activity provides money transmissions services to the same extent as if the person was a licensee, and shall be jointly and severally liable with the unlicensed or nonexempt person.

22 receiving money for transmission prior to its first use. No licensee  
23 or its agent shall use any receipt, a certified copy of which has not  
24 been filed with the commissioner, or use a receipt that the  
25 commissioner has deemed not to be in compliance pursuant to  
26 paragraph (2).

27 (2) If the commissioner determines, within 30 business days of  
28 the filing date of a receipt, that the receipt does not comply with  
29 the requirements of this section or Sections 2102 and 2103, the

2 another language, the English version of the receipt shall govern  
3 any dispute concerning the terms of the receipt. However, any  
4 discrepancies between the English version and any other version  
5 due to the translation of the receipt from English to another  
6 language including errors or ambiguities shall be construed against  
7 the licensee or its agent and the licensee or its agent shall be liable  
8 for any damages caused by these discrepancies.

9 (d) Any licensee violating the requirements of this section shall  
10 be subject to a fine of fifty dollars (\$50) for each violation. This  
11 provision is in addition to any other enforcement provisions that  
12 may apply to such a violation.

13 (e) If any licensee or its agent uses a receipt form, a certified
